

**Yellow warning
Rain**

Between
10:00 Sun 7 Oct 2018 and
23:59 Sun 7 Oct 2018

**Persistent and heavy rain likely over parts of west Scotland****What to expect**

- Spray and flooding on roads probably making journey times longer
- Bus and train services probably affected with journey times taking longer

Further details

Rain will become heavy and persistent across the west Highland and Argyll regions of Scotland from late morning Sunday onwards through to midnight.

Accumulations in excess of 40 mm are expected fairly widely over higher ground of the region with spots of 100 mm or more possible in most exposed sites. Low lying areas are likely to see smaller rainfall amounts. The rain will then ease overnight into Monday.

During this period strong winds are also expected with gales possible around coasts and over higher ground.

 Medium likelihood of low impacts

Issued at 10:34 Sat 6 Oct, 2018
